Dear Mr. Licata:

Thank you very much for joining me as we introduced the Parental Choice in Education Act to support and protect alternative school options for parents and students across the state.

Parents deserve a choice when it comes to their child's education, one of the most personal and important decisions they can make. The Parental Choice in Education Act will make a fundamental difference in the lives of students, families, and educators across the state, and I thank you for your partnership and support. I look forward to working together to make our proposal a reality and ensure a stronger, better future for our children.

Warmest regards.

Sincerely,
